About this guide

This guide compares how much a Montana homeowner, condominium owner or renter **might** pay for insurance coverage in nine different geographic areas: Billings, Bozeman, Butte, Glendive, Great Falls, Helena, Kalispell, Missoula and Scobey. For each area, an annual premium (cost) is calculated for both in-city and rural residences. The rural premiums are based on fire protection class code 9, which is outside of the city limits.

Top selling companies that sell homeowners insurance in Montana were invited to participate in our survey. Sample rates from the companies that chose to participate are featured in the charts on pages 7-15 of this guide.

If you find any terms, phrases or concepts confusing, we encourage you to read the ***Montana Consumer Guide to Homeowners Insurance***, a comprehensive CSI booklet available at www.csimt.gov/your-insurance/home or by calling 1-800-332-6148.

How to use this guide

The premium quotes from the insurance companies listed in this guide are:

- Based on the amount you pay annually, in which the full amount has been paid when your coverage begins.
- Based on three years of previous coverage.
- Based on owner-occupied dwellings, with the exception of example 7.
- Based on dwellings with no plumbing, wiring, or heating/cooling updates, with the exception of example 5.
- Based on structures of frame construction. Generally, companies offer discounts for masonry or fire-resistant structures.
- Based on rates in effect as of January 1, 2018. If a company's rates have changed since then, these quotes may no longer be accurate. (*Please keep in mind the premiums quoted are only examples. Your individual situation may include factors that will be reflected in the premiums quoted to you.*)
- Based on the assumption that previous insurance exists and that this is for new business, not a renewal.
- Based on the coverage explained in each example. For instance, flood and earthquake coverage are not included.

Coverage

The examples in this guide contain the companies' specific coverage for the following policy types:

H03/H05 Standard *homeowner* policy that insures contents and structure for hazards that are named in the policy; also provides medical and liability coverage.

H04 Standard *renter* policy that covers contents only and also provides some medical and liability coverage.

H06 Standard *condominium* unit owner's policy that covers contents, inner walls, medical, and liability coverage.

Insurers

Not every insurer will offer you coverage. Each insurer has requirements which you must meet in order to become insured.
