National Foundation Life Plans offered Off Exchange in Montana

The age for each person is based on their first date of coverage in 2017. For children under the age of 21, only the three oldest children will be included in the family premium. Region is based on county of primary residence.

This table does not include every possible monthly premium. Included: The rounded cost by plan and region for the specific ages shown. Not included: Other ages, dental premiums, smoking surcharges, Catastrophic plans, off exchange or small group options, and subsidies.

The cost sharing in this summary applies to "in-network" services only. Out-of-network services have higher cost sharing. Please see the policy language. Be sure to review plan details to know what applies to deductibles, exact copays and coinsurance for particular services, out-of-network coverage, excluded benefits, formularies, provider networks, etc.
