3. \$100 fee;
4. Proof that the deposit requirement of \$25,000 is satisfied, as required by Mont. Code Ann. § 61-12-304. All motor clubs that have a bond in lieu of the deposit requirement must provide evidence of bond coverage by submission of a certificate verifying that the bond is in full force and effect (commonly referred to as a continuation certificate). Such continuation certificate must be submitted even if your motor club's bond is a continuous type bond. Motor club authority will be revoked if bonds are not in full force and effect;

6. The department encourages motor clubs to submit their most recent audited financial statement as of the annual or fiscal year end of the motor club.

Motor club licenses are continuous in form; therefore, new licenses will **not** be reissued upon our receipt of your renewal fee and documentation. Failure to supply the above-requested items by the stated deadline will result in revocation of your motor club's Montana certificate of authority.

Please call the Department at (406) 444-2040 should you have any questions.
