

Montana Patient-Centered Medical Homes

WHERE HEALTHIER HAPPENS

A NEW MONTANA PROGRAM CHANGING HOW
OUR CLINIC CARES FOR PATIENTS.

A patient-centered medical home or PCMH is not a building, house, or hospital, but rather a team of health care professionals, focused on keeping you healthy. You are the center of the team. All of your primary care in one place—your patient-centered medical home.

- BETTER HEALTH FOR MONTANANS
- BETTER CARE FOR YOU
