The premium tables show 2023 monthly premiums for the third quarter of 2023 (Jul-Sep) rounded to the nearest dollar. Premium is the monthly amount charged to a policyholder for insurance coverage. These premiums are shown by plan and rating area for the specific ages shown. Other ages, dental premiums, smoking surcharges, cost sharing small group options, and any premium subsidies or other financial assistance are not shown. Cost sharing includes deductibles, copays, and coinsurance. The cost sharing in this summary applies to "in-network" services only. Out-of-network services have higher cost sharing. To determine your individual premium, look for the rating area or county of your primary residence.

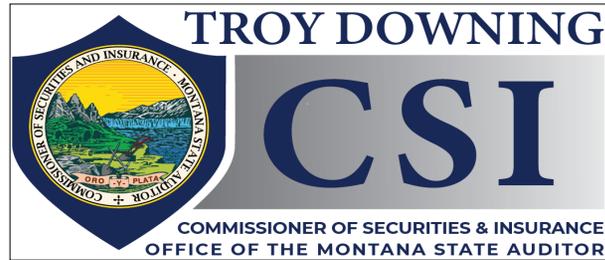

NOTE:

- This table does not include every possible monthly premium.
- These premiums are subject to change.
- Deductibles and Out of Pocket maximums are shown for individuals. Deductibles and Out of Pocket maximums for families may be different.
- Review actual policy language and plan details for deductibles, copays, and coinsurance information; provider networks; out-of-network coverage; excluded benefits; etc.
