Model #786 § 9C(6)  Model #785 §2F(1)(f)	<p><b>Prompt Payment of Claims:</b>                      The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements. The lack of prompt payment will be evidenced if any of the following criteria is met:</p> <ul style="list-style-type: none"> <li>• More than fifteen percent (15%) of the reinsurance recoverables from the assuming insurer are overdue and in dispute as reported to the commissioner;</li> <li>• More than fifteen percent (15%) of the assuming insurer’s ceding insurers or reinsurers have overdue reinsurance recoverable on paid losses of 90 days or more which are not in dispute and which exceed for each ceding insurer \$100,000, or as otherwise specified in a Covered Agreement; or</li> <li>• The aggregate amount of reinsurance recoverable on paid losses which are not in dispute, but are overdue by 90 days or more, exceeds \$50,000,000, or as otherwise specified in a Covered Agreement.</li> </ul>		The calculation for Prompt Payment of Claims is based upon the total global claims of the Reciprocal Jurisdiction Reinsurer, and not based solely on U.S. claims. NAIC staff will perform a slow-pay analysis based upon filings of Schedule F by U.S. domiciled ceding insurers with respect to property reinsurance. The level of detail required to perform a slow pay analysis does not exist in Schedule S with respect to life reinsurance. The Lead State should attempt to obtain this information directly from the Reciprocal Jurisdiction Reinsurer and/or its supervisor.

**II. Filing Requirements for “Passporting State” of Reciprocal Jurisdiction Reinsurer**

In order to facilitate multi-state recognition of assuming insurers and to encourage uniformity among the states, the NAIC has initiated a process called “passporting” under which the commissioner has the discretion to defer to another state’s determination with respect to compliance with this section. Passporting is based upon individual state regulatory authority, and states are encouraged to act in a uniform manner in order to facilitate the passporting process. States are also encouraged to utilize the passporting process to reduce the amount of documentation filed with the states and reduce duplicate filings.

If an NAIC accredited jurisdiction has determined that the conditions set forth under the *Filing Requirements for Lead States* have been met, the commissioner has the discretion to defer to that jurisdiction’s determination, and add such assuming insurer to the list of assuming insurers to which cessions shall be granted credit. The commissioner may accept financial documentation filed with the Lead State or with the NAIC. The following documentation must be filed with the Passporting State:

Citation to State Law / Regulation	Requirements	Y or N	Reference and Supporting Documents
Model #786 § 9E(2) Model #785 §2F(3)	<b>Form RJ-1:</b> An assuming insurer must submit a properly executed Form RJ-1 and additional information as the commissioner may require, except to the extent that they conflict with a Covered Agreement.		Form RJ-1
Model #786 § 9E(1)	<b>Lead State:</b> If an NAIC accredited jurisdiction has determined that the required conditions have been met, the commissioner has the discretion to defer to that jurisdiction’s determination. The commissioner may accept financial documentation filed with another NAIC accredited jurisdiction or with the NAIC in satisfaction of this requirement.		The applicant must provide a copy of the approval letter or other documentation provided to the applicant by the NAIC accredited jurisdiction. The letter should include the state, effective date, and lines of business. The applicant also should have been reviewed and recommended for passporting by ReFAWG.
	<b>Fee:</b> [Insert \$ amount of the fee applicable in this state.]		

**III. Interaction Between Certified Reinsurers and Reciprocal Jurisdiction Reinsurers**

Under Section 8A(5) of the *Credit for Reinsurance Model Regulation* (#786), credit for reinsurance shall apply only to reinsurance contracts entered into or renewed on or after the effective date of the certification of the assuming insurer with respect to Certified Reinsurers. Under Section 2F(7) of the *Credit for Reinsurance Model Law* (#785), credit shall be taken with respect to Reciprocal Jurisdiction Reinsurers only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the statute adding this subsection, and only with respect to losses incurred and reserves reported on or after the later of (i) the date on which the assuming insurer has met all eligibility requirements to be designated a Reciprocal Jurisdiction Reinsurer, and (ii) the effective date of the new reinsurance agreement, amendment, or renewal.

It is expected that certain assuming insurers may be considered to be Certified Reinsurers for purposes of in-force business and Reciprocal Jurisdiction Reinsurers with respect to reinsurance agreements entered into, amended, or renewed on or after the effective date. In addition, these same reinsurers may also have certain blocks of business that are fully collateralized under the prior provisions of Model #785 and Model #786. The NAIC blanks will be amended to reflect the status of these reinsurers with respect to each type of insurance assumed.
