

WHY YOU NEED INSURANCE

If you live on a reservation in a home owned by the tribe itself or a home conveyed to you by the tribe, be aware the home may be uninsured.

PROTECT YOUR ASSETS

Homeowners insurance covers:

- ✓ Your home
- ✓ Your personal property
- ✓ Injuries to others or their property while they're on your property

IF YOU HAVE A HOME LOAN, TO SATISFY YOUR MORTGAGE LENDER

- ✓ 100% of homes need insurance when getting a mortgage.
- ✓ If insurance you purchased lapses, your mortgage lender will likely insure your home for you, which often results in:
 - ▶ A much higher premium covering only damage to the structure of your home (no coverage for personal property or injury to others).
 - ▶ Paying the higher premium until you get your own homeowners' insurance again.
