

FINGERPRINTS FOR INSURANCE LICENSING PURPOSES

The Office of the Montana State Auditor, Commissioner of Securities, and Insurance (CSI) requires an applicant for an insurance license to submit their fingerprints for the purpose of a state and federal criminal background check prior to being licensed. This includes applicants taking an insurance examination for the first time and those who are adding a line of authority to an existing license. Fingerprints are only valid for one year. Applicants with fingerprint cards older than one year must be fingerprinted again.

If you are unsure if it is necessary for you to secure and submit a fingerprint card to the Montana Department of Justice, please contact us at producerlicensing@mt.gov for clarification. No resident insurance licenses will be issued by the CSI without a complete background check done through the Montana Department of Justice. The CSI and the MT DOJ Criminal Records Division are separate entities. Fingerprint cards and payments must be sent to the MT Department of Justice. Fingerprint cards will not be accepted by the CSI. Any fingerprint cards received by the CSI will be returned and result in delaying the processing of the application.

All applicants submitting fingerprints as part of the licensing process must also complete and provide the Applicant Rights and Consent to Fingerprint Form. The form can be found [HERE](#). If this form is not submitted, the processing of the application will be delayed. The form can be signed electronically and should be submitted to csiapplicantrights@mt.gov. It is important that the email subject include your first and last name. The form will populate this information from what you enter in the printed name field when you select "click here to submit".
