RE: September 30, 2025, Public Information Request
CSI Request No. CSI PRR-18

Dear Vincent Kurniawidjaja,

On September 30, 2025, the Montana Commissioner of Securities and Insurance (CSI) received your Public Records Request, a copy of which is enclosed for reference. After conducting a diligent search of CSI's records, CSI has no records related to complaints or investigations concerning unlicensed or misleading investment-related advice provided by a 'finfluencer' as we understand the term used in the request.

CSI is committed to transparency and compliance with Montana's public records laws, and we appreciate your engagement in this process. If you have any questions or wish to discuss this response further, please do not hesitate to contact this office.

Finally, pursuant to **Montana law**, a copy of your request and this response will be posted on the CSI website. CSI encourages you to review information already posted on our website, which may address related subjects.

Sincerely,

/s/ Brandy Morrison
