*Plans F and G offer a high-deductible plan. You pay for Medicare-covered costs up to the deductible amount (\$2,490 in 2022) before your plan pays anything.

**After you meet your out-of-pocket yearly limit and Part B deductible, the plan pays 100% of covered services for the rest of the calendar year.

***Plan N pays 100% of the Part B coinsurance except up to \$20 copays for some office visits and up to \$50 copays for emergency room visits (if the hospital admits you, the plan waives your emergency room copays).

Note about Plans C and F:

Only applicants' first eligible for Medicare before 2020 can buy/keep Plans C, F, and high-deductible Plan F. Medicare Plans C and F are no longer available to people new to Medicare as of January 1, 2020.
